Dear Year 4 (**Year 5 in 2023**) Parents,

The 2023 Term 1 will commence on **Saturday, 21<sup>st</sup> January**.

Year 5 courses are structured to accommodate the high academic standards expected of students for their NAPLAN and the 2024 selective school & independent school scholarship exams.

Please note that **Year 5 standard WEMT lesson will be increased to 4 hours** to accommodate the new WEMT module contents and the class timetable will be changed accordingly – see below.

### Year 5 WEMT Course

Year 5 WEMT course is introducing the new modules with its updated curriculum. It requires a significant commitment of weekly module work that includes a new thinking skills component to help students build a solid foundation for the 2024 selective school placement test.

The **writing** module teaches students the most efficient ways in organising writing structure with a focus on developing critical thinking and reasoning skills. **English** lesson will focus on reading skills and practising reading comprehension and multiple-choice questions. **Mathematics** lessons are essential for students to thoroughly understand mathematical theories, principles and formulas to solve problems. **Thinking skills** lesson covers a variety of practical, challenging and mind-stimulating questions in problem solving and critical thinking skills.

Students can choose one of the following WEMT course according to their needs or preferences:

**Standard WEMT (Face-to-face learning):** Face-to-face learning with teachers in class & access all Cyberschool services

**Cyber WEMT (Video lesson):** Self-paced learning from home using pre-recorded Cyberschool video lessons

### NAPLAN & Selective Trial Test Course (STTC)

The term 1 NAPLAN & Selective Trial Test Course is a new comprehensive program designed for Year 5 students to prepare them for both NAPLAN and Selective High School Placement Test (SHSPT).

By taking the course, students will be able to practise NAPLAN & SHSPT style questions under exam conditions and learn how to manage their test time efficiently, minimise errors, overcome exam nerves and perform at their
