Year 2 Term 2 course will commence on **Saturday, 23rd April 2022**.

Term 2 courses are structured to accommodate the academic standards expected of students in Term 2 at Pre-Uni New College. By attending our WEMG course, students will reinforce the foundations of their learning and get ahead of their peers.

Please check out the new course timetable below.

Year 2 Term 2 Course Timetable

WEMT Session	Class Time
Saturday AM	9:05 am – 12:30pm
Thursday	4:05pm – 7:30pm
Homework Help	Wednesday 4:00pm – 6:00pm

- Due to the limited capacity in each class, attending another class to make up the missed class will not be allowed.
- All class activities will be in line with NSW Health guidelines as applicable and follow good hygiene practices including strict drop off & pick up procedures, limitation of class size.
- PLEASE NOTE:** If there is a situation where we're required to cease face-to-face class learning operations due to public health orders and restrictions, EMG course lessons will be delivered online. The course fee and timetable will remain the same, and students will take the course at home via Zoom and Cyberschool.

Year 2 WEMG Course

Year 2 Term 2 WEMG course will require a significant commitment of module work each week in writing, English, maths and general ability due to the nature of the advanced curriculum.

In addition to having the advantage of getting ahead, WEMG course will help students build a solid foundation for the NAPLAN and Opportunity Class Placement Test.

The course will be delivered in both way - 'Standard WEMG course' in a normal face-to-face learning and **'Cyber WEMG' course using the Cyberschool services only**. Students can choose the course option according to their needs and learning style.

- ✚ The **writing** module teaches students the most efficient ways in organising writing structure with a focus on developing critical thinking and reasoning skills.
- ✚ **English** lesson will focus on reading skills and practising reading comprehension and multiple-choice questions.
- ✚ **Mathematics** lessons are essential for students to thoroughly understand mathematical theories, principles and formulas to solve problems.
- ✚ **General Ability** lesson covers a variety of practical, challenging and mind-stimulating questions in verbal and non-verbal reasoning.
