6+ Course – Outlines of Teaching

6+ English

Our 6+ English program goes beyond basic comprehension. We equip students with the skills to confidently conquer a variety of texts, from analysing and understanding them to crafting well-structured essays and insightful responses across different genres. This fosters language proficiency and confidence, preparing students for high school success.

Get ready to dive deeper with our **all-new "ELA Essentials for High School Preparation" curriculum!** This streamlined lesson tackles a diverse range of topics, solidifying your foundation in crucial analytical, writing, and comprehension skills. **Here are the key topics to be covered in Term 2:**

- ✚ Mastering the Building Blocks: Nouns, Pronouns, Verbs, Adjectives, Adverbs
- ✚ Sentence Structure and Variation: Phrases, Clauses, Affixes & Roots
- ✚ Literary Devices: Figurative Language, Comedic and Poetic Devices
- ✚ Persuasive Techniques: Mastering the Art of Argumentation
- ✚ Understanding Fiction: Plot Elements, Visualisation, Summarisation, Inference & Evidence.

This is just a taste of what awaits in the 6+ English lessons. Enrol now and equip yourself with the skills and confidence to excel in high school and beyond!

6+ Mathematics

The 6+ Maths program is designed to give students a solid launchpad into high school mathematics. We revisit and solidify key Year 6 concepts while offering a sneak peek at Year 7 content.

Through engaging activities, students will gain a deeper understanding of fundamental mathematical principles, fostering confidence and competence in their mathematical abilities.

Term 2 Focus Areas:

- ✚ Geometry: Delve into angles, constructions, and properties of 2D figures.
- ✚ Number Theory: Explore exciting concepts like number theory and solids.
- ✚ Number & Algebra: Extend your understanding with directed numbers, the number plane, and further algebra.
- ✚ Real-world Applications: Gain practical skills in probability, time, and mass measurement.

This is just a glimpse of what awaits in the 6+ Maths program. Enrol now and equip your child with the strong foundation and confidence to excel in high school maths!
