### Year 4 Winter Intensive OC Trial Test Course (11 - 15 July)

The OC Trial Test Course (OCTTC) will continue during the second week of the winter holiday period. It will be the intensive trial test practice course, consisting of **two sessions per day** over five days. Each trial test session will cover various types of OC exam style questions and students attempt the **paper-based** trial tests. After the test, teacher explain complex questions and help students maintain a thorough understanding of the question types.
