## A new online course for Years 3 to 6 - "Reading 310"

We're pleased to announce that Cyberschool is now offering **a new online self-paced practice test course called 'Reading 310'**. The course is designed for Years 3 to 6 students to help them enhance their reading comprehension skills for the preparation of selection tests like OC, selective school placement and private school scholarship tests.

Each test contains a comprehensive number of reading questions covering inference skills for reading with short passage, true/false, gapped texts etc. Students can log in to Cyberschool and attempt up to 10 tests during the term.

By completing this course, students will be able to complete a thorough study of important question types and complete a variety of challenging reading skill questions.

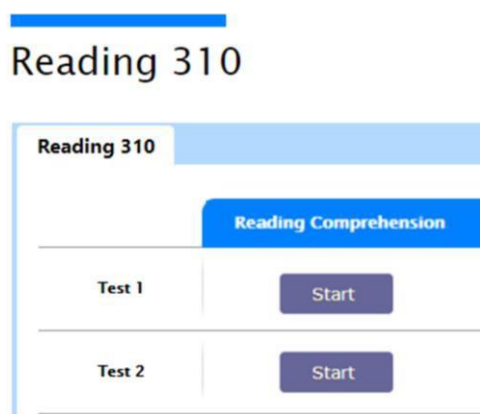

Students (in NSW) who currently attend our regular term course can take this course for **free** until the next term begins.
