Term 2 Courses will commence on Saturday, 18th April.

Are you looking to give your Year 2 student a head start for upcoming school assessments and tests? Our engaging term 2 courses are designed to give your child a strong foundation and boost their confidence in key academic areas.

- ✦ **Targeted Skills Development:** Our rigorous courses will focus on sharpening essential skills like writing, reading comprehension, critical thinking, and mathematical reasoning.
- ✦ **Engaging Learning:** We make learning fun and interactive, keeping your child motivated and engaged throughout the term.

Year 2 WEMT Course

We are thrilled to announce that the Year 2 WEMT course is back and better than ever, with an updated curriculum designed to help you reach your academic potential! Our course is designed to provide students with the essential skills and knowledge they need to excel in their studies and beyond.

Exam Readiness: Build a strong foundation in reading, writing, maths, and thinking skills, crucial for all upcoming assessments. Our comprehensive approach ensures that students are well-prepared for exams, equipped with the confidence and capability to tackle any challenge.

Mastering Reading Comprehension: Develop techniques to tackle challenging texts and ace multiple-choice questions with confidence.

Mathematics Made Easy: Gain a solid understanding of mathematical concepts, formulas, and problem-solving techniques. Our curriculum is designed to make maths accessible, breaking down complex topics into manageable lessons that build students' competence.

Mind-Stimulating Thinking Skills: Challenge yourself with engaging exercises to enhance critical thinking and problem-solving abilities. Each module encourages students to develop their analytical skills through a variety of stimulating activities.
