Looking to give your Year 4 student a head start for upcoming OC exam and future assessments? Our engaging Term 2 courses are designed to provide your child with a strong foundation and boost their confidence in key academic areas.

Year 4 WEMT Course

The Year 4 WEMT course is being updated to include new module contents. This will require students to commit to a significant amount of weekly module work, but it will help them build a solid foundation for the selective school and independent school scholarship exams.

- **Strong foundation for the selective school and independent school scholarship exams:** Focus on key areas like writing, reading comprehension, mathematical reasoning and critical thinking.
- **Effective writing strategies:** Learn how to structure and organise writing persuasively.
- **Mastering reading comprehension:** Develop techniques to tackle challenging texts and ace multiple-choice questions with confidence.
- **Mathematics made easy:** Gain a solid understanding of mathematical concepts, formulas, and problem-solving techniques.
- **Mind-stimulating thinking skills:** Challenge yourself with engaging exercises to enhance critical thinking and problem-solving abilities.
