WELCOME TO OC TRIAL TEST COURSE (OCTTC)

We are excited to introduce the OC Trial Test Course (OCTTC), a highly valuable course designed for students preparing for the 2024 OC placement test. The course offers weekly assessments to evaluate students' knowledge and test performance. By participating in the OC trial tests on a regular basis, students can systematically enhance their exam skills and gain the confidence needed to excel in the OC Placement Test scheduled for 1st August in 2024.

In order to adapt to the evolving landscape of OC placement tests, the 2024 OCTTC framework has been updated to include new question types that have recently appeared in the tests.

By enrolling in the OCTTC, students will learn effective time management strategies, reduce errors, conquer exam anxiety, and perform at their best in the OC exam.

The OCTTC commences in Term 1 and continues until the OC exam date. For more details and a comprehensive schedule, please refer to the OCTTC calendar on page 3.

WHAT ARE THE BENEFITS OF OCTTC?

- Improved accuracy and speed in answering questions
- Familiarity with the style of exam questions and test conditions
- Regular assessment of student performance and progress
- Consistent improvement and competence through weekly practice
- Feedback to parents regarding areas of focus for their child
- Aiding in the selection of suitable school choices for their OC application.

HOW IS OCTTC ORGANISED?

The OC trial tests cover a variety of question types and are designed to simulate the format, timing, and conditions of the actual exam. Each week, students will attempt mathematical reasoning and thinking skills tests, followed by reading tests the following week. This two-week cycle constitutes a set of OC trial tests. After each test, students will review the questions with their teacher, with special emphasis on challenging questions.

We are excited to embark on this journey of academic growth and preparation with your child. The OCTTC is committed to providing the necessary tools and support to ensure their success in the 2024 Opportunity Class placement test.

OC Trial Test Course (OCTTC) Timetable (Epping Branch)

Students attend their regular OCTTC class once per week. On Saturdays, they begin a new test, which is then repeated on Sundays, Tuesdays, and Wednesdays.

Saturday sessions	Tuesday sessions	Wednesday sessions
1:00pm – 4:00 pm	4:00pm – 7:00 pm	4:00pm – 7:00 pm

➤ For details of the trial test dates, please see the OCTTC dates table on page 3.

Makeup Test Policy

If students are unable to attend their regular OCTTC class, they are required to schedule a makeup test at the Strathfield Head Office within ONE week from the missed session. Please note that test reviews will not be available for any makeup tests.

OC Trial Test Course (OCTTC) – Fee payment regulations

- The course fee is \$70 per session (including GST).
- Students must enrol in full term OCTTC before the course starting date – refer to the fee schedule below. Students who enrol after the course starting date must pay the fee for the remaining number of sessions of the term.
- Enrol in both the full term OCTTC and full term WEMT courses together for the same term, and you are qualify for a special OCTTC discount price of \$63 per session. A separate full-term WEMT course payment must be made. Please note that this discount is not applicable to holiday OCTTC.
- **Don't miss out on our exclusive OCTTC Full Package Price Offer and enjoy incredible savings! For further details, kindly refer to Page 4.**
