Unlock their potential for success! Our Term 3 courses are designed for Year 4 students aiming for selective school placement and independent school scholarships. We provide a jumpstart on their academic journey, preparing them for the high standards of these challenging exams. Our rigorous course sharpens their skills in reading, writing, mathematical reasoning and thinking skills. Each course fosters a love of learning and equips your child with the skills and strategies they need to excel in these competitive exams. Help them reach their full potential and take the next step towards academic excellence!

### Year 4 WEMT Course

Year 4 WEMT course is back and better than ever, with an updated curriculum designed to help you ace the selective high school and independent school scholarship exams!

- **Strong foundation for the selective school exam:** Focus on key areas in reading comprehension, writing, mathematical reasoning and critical thinking.
- **Effective writing strategies:** Learn how to structure and organise your writing persuasively.
- **Mastering reading comprehension:** Develop techniques to tackle challenging texts and ace multiple-choice questions with confidence.
- **Mathematics made easy:** Gain a solid understanding of mathematical concepts, formulas, and problem-solving techniques.
- **Mind-stimulating thinking skills:** Challenge yourself with engaging exercises to enhance critical thinking and problem-solving abilities.

### Term 3 OCTTC (20 – 30 July)

Two more OCTTC sessions will be available for Year 4 students who need additional trial test practice before their OC placement test on 1<sup>st</sup> August. The sessions will be held during the first 2 weeks of Term 3. It can help to boost their confidence, test-taking skills, and overall preparedness for the exam. Find the last-minute trial test schedule below.

**The key benefits of OCTTC are:**

- ✚ Practice makes perfect: Regular trial tests build confidence and familiarity with the exam format.
- ✚ Master the strategies: Learn expert tips and tricks to approach each question type effectively.
- ✚ Detailed feedback: Analyse your performance with individual results accessible on Cyberschool.
