Year 4 Term 2 course will commence on **Saturday, 23rd April 2022.**

Term 2 courses are structured to accommodate the academic standards expected of students who are aiming for the Opportunity Class (OC) and selective high school placement. In addition to having the advantage of getting ahead. We will put more focus on improving their thinking skills and mathematical reasoning skills as well as reading and writing skills.

Please check out the term 2 course timetable below.

Year 4 WEMT Course

Year 4 WEMT course is introducing the new modules with its updated curriculum. It requires a significant commitment of weekly module work that includes a new thinking skills component to help students build a solid foundation for OC and selective school placement test.

The **Writing** module teaches students the most efficient ways in organising writing structure with a focus on developing critical thinking and reasoning skills. **English** lesson will focus on reading skills and practising reading comprehension and multiple-choice questions. **Mathematics** lessons are essential for students to thoroughly understand mathematical theories, principles, and formulas to solve problems. **Thinking skills** lesson covers a variety of practical, challenging and mind-stimulating questions in problem solving and critical thinking skills.

The course is delivered in two different ways:

1. **Standard WEMT** in a normal face-to-face class lesson **Sat, Tue, Thu** or
2. **Cyber WEMT** using the **Cyberschool video lessons** in their home

OC Trial Test Course (OCTTC)

The OC Trial Test Course (OCTTC) is a comprehensive program designed for Year 4 students to prepare them for the 2022 OC Placement Test.

The course consists of different types of questions and reflects the format, timing and conditions of the actual exam. It will help your child to manage his or her time efficiently, minimise errors, overcome exam nerves and perform at his or her optimum level.

Students will attempt the 'computer-
