Prepare your Year 5 student for academic excellence with our specialised Term 2 courses, designed to help them succeed in the selective school placement and independent school scholarship exams next year.

Sharpen Reading, Writing, Mathematics, Critical Thinking, and Problem-Solving Skills: Our term 2 course hones these essential skills, ensuring your child is well-prepared to meet the high standards of these challenging exams.

Don't miss this opportunity to help your child reach their full potential!

Year 5 WEMT Course

The Year 5 WEMT course is being updated to include new module contents. This will require students to commit to a significant amount of weekly module work, but it will help them build a solid foundation for the selective school and independent school scholarship exams.

- **Strong foundation for the selective school and independent school scholarship exams:** Focus on key areas like writing, reading comprehension, mathematical reasoning and critical thinking.
- **Effective writing strategies:** Learn how to structure and organise writing persuasively.
- **Mastering reading comprehension:** Develop techniques to tackle challenging texts and ace multiple-choice questions with confidence.
- **Mathematics made easy:** Gain a solid understanding of mathematical concepts, formulas, and problem-solving techniques.
- **Mind-stimulating thinking skills:** Challenge yourself with engaging exercises to enhance critical thinking and problem-solving abilities.

Selective Trial Test Course (STTC)

This STTC dives deep into the exam, familiarising students with the format, timing, and conditions they'll face on test day. Through weekly trial tests, they'll tackle a variety of question types and learn powerful strategies to succeed in the exam. The key benefits of STTC are:

- **Practice makes perfect:** Regular trial tests build confidence and familiarity with the exam format.
- **Master the strategies:** Learn expert tips and tricks to approach each question type effectively.
- **Detailed feedback:** Analyse your performance with individual results accessible on Cyberschool.
- **Writing mastery:** Get expert feedback on your writing from experienced English teachers.
- **Power up your STTC performance with Cyberschool:** Take full advantage of accessing exclusive Cyberschool activities and resources designed to support your STTC!

SINCE 1992

Thinking Skills for Selective (face-to-face)

The "Thinking Skills for Selective Exam" Course is specially designed to foster the development of problem-solving and critical thinking abilities, equipping our students with the necessary skills for success in their academic journey and ultimately, for the selective school placement test.

With a comprehensive focus on preparing them for the thinking skills component, the course will cover a diverse array of essential topics.
