2026 Term 1 begins on Saturday, 24th January.

Year 5 (in 2026) Term 1 courses are designed to ensure that students meet the high academic standards expected for the 2027 selective school and independent school scholarship exams.

Starting in Term 1, Year 5 students will have access to **new Selective Trial Test Courses (STTC)**. It will teach students how to manage their time effectively, reduce mistakes, and perform their best on the exams.

The WEMT timetable has been updated to better align with the degree of new module contents. Please review the updated WEMT class timetable below.

Year 5 WEMT Course

The Year 5 WEMT course is being updated to include new module contents. This will require students to commit to a significant amount of weekly module work, but it will help them build a solid foundation for the NAPLAN and selective school exam.

Please review the updated WEMT class timetable below.

- **Strong foundation for the NAPLAN and selective school exam:** Focus on key areas like writing, reading comprehension, mathematical reasoning and critical thinking.
- **Effective writing strategies:** Learn how to structure and organise your writing persuasively.
- **Mastering reading comprehension:** Develop techniques to tackle challenging texts and ace multiple-choice questions with confidence.
- **Mathematics made easy:** Gain a solid understanding of mathematical concepts, formulas, and problem-solving techniques.
- **Mind-stimulating thinking skills:** Challenge yourself with engaging exercises to enhance critical thinking and problem-solving abilities.

Selective Trial Test Course (STTC)

The term 1 Selective Trial Test Course is a new comprehensive program designed for Year 5 students to prepare them for the 2027 Selective High School Placement Test (SHSPT).

Through weekly trial tests, they'll tackle a variety of question types and learn powerful strategies to succeed in the exam. The key benefits of STTC are:

- **Practice makes perfect:** Regular trial tests build confidence and familiarity with the exam format. STTC will be conducted in computer-based format, familiarising students with the new CBT format.
- **Master the strategies:** Learn expert tips and tricks to approach each question type effectively.
- **Detailed feedback:** Analyse your performance with individual results accessible on Cyberschool.
- **Writing mastery:** Get expert feedback on your writing from experienced English teachers.
- **Power up your STTC performance with Cyberschool:** Take full advantage of accessing exclusive Cyberschool activities and resources designed to support your STTC!

Year 5 Writing Course

The aim of our Year 5 Writing course is to improve students' technical and imaginative writing skills. The course has a personalised approach to cater to each student's specific writing needs, which fosters confidence, competence, and expertise in writing.

This program will aid students in improving their writing skills for all written assignments at school, as well as writing exams for selective high school placement and independent school scholarship exams.

Emphasis will be placed on narrative, information report, poetry, diary, persuasive writing skills, including grammar, spelling, and punctuation, which are crucial components of the course curriculum.
